Image/Video Editing

Languages

Portuguese (PT) - B2 Level

Dedicated visual artist with strong understanding of graphic art, illustration, photo and video editing. Skilled in creating art and editing images or video with keen eye for detail. Creative and committed to telling stories through the visual arts.

EXPERIENCE

FORTIS SOLUTIONS GROUP

Graphics Technician
2024 - 2025

- Assembled and revised graphics and text using Adobe Photoshop and Illustrator per customer specs.
- Prepared files for flexographic and digital printing; followed workflows for proofing and plating.
- Reviewed work for accuracy in color, typesetting, grammar, and design.
- Assisted production with troubleshooting quality or printability issues.
- Communicated with customer service/sales to resolve graphic concerns.

SPORTSPOINT PHOTOGRAPHY

Photographer
Photo Editor
2016 - 2025

- Edited and retouched photos using Adobe Photoshop and Lightroom; adjusted tone, lighting, and color.
- Removed blemishes, tattoos, and objects from images.
- Operated minilab printer and produced custom photo products (magnets, buttons, prints).
- Set up photography equipment and captured high-quality images in studio and on location.
- Directed and interacted with hundreds of clients during sessions.

SUBNATION

Video Editor
January 2022
March 2022

- Edited competitive gaming videos; added intros, transitions, and motion graphics.
- Created backgrounds and presentations for in-person NFT gallery displays.
- Delivered edits with multi-camera angles, titles, effects, and audio integration.
- Enhanced visuals using still imagery, animations, and graphic design elements.
- Applied sound design to elevate overall video impact.

THE COLLEGIAN NEWSPAPER

Cartoonist
2014 - 2016

- Created original cartoon concepts and illustrations for editorial and front page features.
- Collaborated with editors on visual storytelling and design direction.
- Developed sketches and final artwork using digital techniques and design tools.
